*The Beauty of Surprises!*

A famous Hollywood movie line goes: "Life's like a box of chocolate. You never know what you're gonna get..."

While we agree that life is filled with its own surprises, both good and bad, we personally wish to tilt the scales more towards the "GOOD" side!

"How are you going to do that?", you ask.

Well, just be the 50th customer at either our Solaris Mont Kiara or SBO Cyberjaya outlet and you will receive a FREE Pretzel!

Now, that's how you put a smile on someone's face 😊

## SAVE MORE PAY LESS

Each and every one of us has a duty to preserve our beautiful environment. While one person may not carry the influence of huge organizations such as WWF, many small contributions can make a great impact!

Remember, one small act means a whole lot in our mission to save the Earth!
